

STP to HSST: Clinical Scientist Journey

With the HEE STP & HSST expressions of interest 2023/2024 applications now open, we are able to hear first hand from one of our network Clinical Scientists and how their role forms a vital part of our expanding workforce and service.

Presented by Felicity Ryan, Principal Clinical Scientist, EKHUFT

On Thursday 21st August 1-2pm

Target audience: open to all staff, managers and leads encouraged to attend.

Kent and Medway
Pathology Network

Please note: this session will be recorded.
